Deadly Australians

Visiting Performance Term 3 – **Tuesday 10 September 2019**

Kindergarten – Year 4 and any Year 5 & 6 students not attending camp.

Our last Visiting Performance for this year will be held on Tuesday 10 September 2019. Our Visiting Performers are selected because of their relevance to Curriculum units studied at school. It is the expectation that all students attend.

“Deadly Australians is an entertaining and educational presentation on the unique venomous animals that live in our backyards, bush and oceans. Naturally curious and learning from close inspection and touch, this age group is particularly vulnerable to accidental bites and stings. Discussion on where our venomous creatures might be found, how to avoid them and the importance of seeking adult help, greatly reduce the risk to this age group. It is a highly interactive and hands on presentation. Your children will have the opportunity to hold non venomous snakes, lizards and turtles.”

The Deadly Australians is an Arts Council and Education Department approved programme, dedicated to the education and safety of our children.

Please return the permission note and \$6.00 per student to your class teacher by Monday 9 September 2019.

Thank you!

Annette Barber
Co-ordinator
